## July Recap

This year the neighborhood's annual picnic was held for the first time at Franklin Elementary School and was a huge success. The intent was to draw more families with children, and judging by the turnout and participation we succeeded and everyone had a good time. The weather was perfect, the grills were "sizzling," and there were activities for everyone. A huge thank you to everyone who helped plan and manage this event as well as to all of you who were able to attend. I am hopeful that next years will be even better!
