Saturday, July 1, 9:30 am
Latte Da Coffeehouse

Upcoming Events:

No Coffee Talk in August

NWNA Coffee Talk Returns
Saturday, Sept 9, 9:30 am
Latte Da Coffeehouse

By Jim Mains

The Map Your Neighborhood program states, "Neighborhoods that are prepared for emergencies and disaster situations save lives, reduce the severity of injuries and trauma and reduce property damage. In addition, contributing as an individual and working together as a team helps develop stronger communities and improve the quality of life in the community."

The Map Your Neighborhood program guides you and your neighbors through simple steps to help enhance your preparedness for an emergency. These steps will help you to quickly and safely take actions that can minimize damage and protect lives. It is designed to improve disaster readiness at the neighborhood level and teaches neighbors to rely on each other during the hours or days before fire, medical, police or utility responders arrive."

In our newsletter this month you will find an information page regarding the Map Your Neighborhood program. It includes the program highlights and the steps it takes for you to lead a "Map Your Neighborhood" with your neighbors.

I encourage you to reach out to the neighbors around you and set a time to meet and commit to the 90 min training. You can also make this a wonderful opportunity to meet your neighbors around you and get to know each other a little better.

During our quarterly meeting in October we will dive deeper into the Map Your Neighborhood program and hear from our neighbors that participated.
