Spring 2003

## Spring Meeting Set April 24

Plan to join us Thursday, April 24, from 7 p.m. to 9 p.m. at Ben Franklin Elementary for the spring neighborhood meeting.

On the agenda are two great topics:

- American Red Cross Home Preparedness -- How ready are you for a disaster? Particularly appropriate in these times.
- Property Maintenance -- the City is re-working its "Minimum Property Maintenance" ordinances, addressing things such as number of vehicles parked on a lot; unkempt grass; people living in RVs; etc. This is a good opportunity to give Richard Landis, supervisor for Code Enforcement for the City of Vancouver, your 2 cents.

## *Yard Debris, Tire Coupons Enclosed*

The always eagerly awaited yard debris and tire disposal coupons are enclosed. Each neighborhood resident is entitled to 2 coupons good for free drop-off of yard debris, and one coupon good for disposal of up to 4 tires.

## **Picnic Set for Saturday, July 12**

Plan to have good potluck, fun, games and meet your neighbors at the annual picnic in Franklin Park.

The more people who help, the better the picnic. Please volunteer!

## **Neighborhood Association Contacts**
