**Quarterly NW Neighborhood Association Meeting:
Thursday, October 11th 7 P.M.
Ben Franklin Elementary (Corner of 53rd & Franklin)**

THEME: *Meet the Candidates*

Featured Guests:

Mayor Royce Pollard
Councilwoman Jeanne Lipton

This is not a debate, but a one-hour opportunity for both candidates for mayor to answer questions from members of the Association. The format is simple: NWNA President Kevin Cornwell will introduce both candidates and call on people to ask questions. We will also distribute paper and pencils for those who wish to submit their questions that way.

I-5 Transportation Plan Study Update
Railroad (39th Street bridge?) Environmental Impact Study update**

THANKS!

A Great Big Thanks to all picnic committee members and participants for the Neighborhood Picnic that was held July 14th. Over the course of the afternoon, more than 100 people attended! The Fun Wagon was a big hit with the kids and Pat Jolotta provided a fascinating and entertaining historical account of the general area and some specifics about the neighborhood's history.
