NWNA Elections 2012

It's that time again for the election of a neighborhood leadership team for this year. So far there has been one nominee/volunteer that has stepped up to the opportunity to lead. We need your help and support. The positions we need people for and a description of the basic responsibilities are listed below.

President: Acts as the primary executive officer and presides over all deliberations and activities of the neighborhood association. Acts as the primary spokesperson for the neighborhood association.

Vice President: Assists the President with all of their duties and performs the President's functions in their absence. May also serve as a spokesperson for the association.

Secretary/Treasurer: Works with the other officers to conduct and support association business. Manages the association's finances and maintains the financial records of the association. Works with the City to keep the minutes of all of the associations public and executive meetings and notifies association members of meetings and activities. May serve as a spokesperson for the association.

If you are interested in serving as a NWNA officer, please contact one of the current officers so that you can be nominated. Or, if you know of someone who has the skills and abilities to fill one of these roles please talk with them and encourage them to contact one of the current officers.

Do you think the Northwest Neighborhood Association could do more? Do you have some ideas? Now is your opportunity to make a difference! If you are interested in leading one of these efforts or helping out in some way please contact one of the NWNA officers (e-mails listed at left). With your help we can make the Northwest neighborhood an even better place to live!

Thank You!
