Spring Clean Up Day

A huge success

This year was one of the top years for our garbage and yard debris collection during Spring Clean-up Day in our neighborhood. The event happened Saturday, June 18. We had more than 75 vehicles dump garbage and yard debris before 10:30 a.m. Waste Connection officials said they took out near 17.5 tons of garbage, and over 5 tons of yard debris, not including the chipper.

At the peak of the morning, participants had to wait in line for almost 90 minutes to dump their garbage. Next year we are planning on new ways to mitigate that and make it much quicker, including adding a garbage truck.

A huge thank-you to our volunteers: Mike Nettleton, Carolyn Rose, Linda Bussey, Kim Milne, Marguerite Matusak, Peter Fels and his crew for picking up garbage from our seniors homes, and to our coordinators Bryan Dainty, Noland Hoshino and Jim Mains.

Stay tuned for more details and how you can help for our Spring Clean-up 2017.
