Police swarmed the Northwest Neighborhood on Sept. 10 in search of a carjacking suspect.

By Jim Mains

At our October quarterly meeting we are excited to have Tyler Chavers, our neighborhood police officer, join us to discuss neighborhood safety. Many of you contacted me the morning of September 10 inquiring on why there was a large police presence around our neighborhood. All we knew at the time was our two schools were on lockdown while the police searched our neighborhood.

Later, we learned that many schools in the area were on lockdown and the police were on the lookout for a suspect in two carjackings. Recently, I was visiting my doctor at Cooper Chiropractic, just outside our neighborhood on Main and 40th streets. I noticed on the office wall a picture of a "person of interest" in a few burglaries in ours and other surrounding neighborhoods.

These two events made it clear this it is a good time for us to get an update on how we can be alert to what is happening in our area. What numbers to call when we see something. And ask questions we may have on the topic of public safety.

Officer Chavers provided an article titled "Twelve Ways to Improve Your Neighborhood" Check it out on page 4 and 5.

IF YOU SEE THIS PERSON, PLEASE CALL THE POLICE IMMEDIATELY!!!
