Upgrades Coming to Franklin Elementary School

Thanks to voter approval of a bond measure in 2017, Franklin Elementary School will soon receive several major improvements:

- More parking spaces
- More space for drop-off and pick-up to help alleviate street congestion
- Roof improvements
- New classroom wings with restrooms, group spaces and places for staff members to work and meet
- Five new classrooms
- Renovations of two existing classrooms

Pending any unforeseen delays, construction is expected to begin in fall 2019 and be finished by fall 2020. Once it has been completed, all portable buildings will be removed from school grounds.
