Thank you neighbors! We had another successful clean up day this year. Before 8 am we already had 5 cars lined up ready to dump their garbage. We had a constant line of cars, but no one waited more than 30 minutes. The city reported the collection numbers to us:

- 18.95 tons of bulky items collected
- 6.93 tons of yard debris collected

The Northwest neighborhood successfully met the Resource Conservation Challenge criteria for this year. That means we will receive a check for \$100.

A special thank you to the Boy Scouts for assisting with collecting scrap metal and helping unload, also to our wonderful neighbors who volunteered their time throughout the morning and for our drivers who help assist our neighbors that didn't have the ability to get the garbage to our clean up site.

Thank you,

Jim Mains, NWNA President
